**FLEMING-MASON ENERGY COOPERATIVE, INC.
PSC CASE NO. 2023-00223
THIRD REQUEST FOR INFORMATION RESPONSE**

**COMMISSION STAFF'S THIRD REQUEST FOR INFORMATION DATED 11/08/2023
REQUEST 3-8**

RESPONSIBLE PERSON: Lauren C. Fritz & John Wolfram
COMPANY: Fleming-Mason Energy Cooperative, Inc.

Request 3-8. Refer to Fleming-Mason Energy's response to Staff's First Request, Item 17.

- a. Confirm that all employees contribute 20 percent of health insurance premiums. If this cannot be confirmed, provide a breakdown of employee contribution rates per plan type.
- b. Provide a breakdown of test-year and pro forma total health insurance expenses and Fleming-Mason Energy's contribution for each plan type.

Response 3-8a. Yes.

Response 3-8b. Please see attached the breakdown of test-year health insurance expenses. The contribution rates were provided in PSC First Data Request Response 21, Health, Dental, and Vision Care categories for 2023. Please see attached worksheet for the same format for the test year, 2022.

Supplemental Response 3-8b: While the total amounts for health insurance premiums provided in the original response are correct, Fleming-Mason reviewed the amounts for health insurance premiums included in Reference Schedule 1.12 in the Wolfram Rebuttal and notes that the amount on line 3 of that schedule reflects the full amount of health insurance premiums, not just the portion of those premiums that was expensed. The \$427,350.49 is an all-in cost, but for this adjustment only the expensed portion should be included. This revision will reduce the pro forma adjustment for Health Care Costs from \$24,457.54 to \$16,875.70. This is reflected in the revised spreadsheet uploaded in electronic format with this response.
