ATTORNEY GENERAL’S NOTICE REGARDING HEARING

Comes now the Attorney General of the Commonwealth of Kentucky, by his Office of Rate Intervention (“Attorney General”), and submits the following notice related to public hearing pursuant to the Commission’s Order of December 21, 2023.

The Commission’s Order of December 21, 2023 allows the parties to make a filing on or before January 23, 2024 either requesting a public hearing or requesting that this matter be decided based upon the written record. The Attorney General believes this matter can be decided based on the written record. However, if the Commission were to do so, foregoing a public hearing, the Attorney General requests the opportunity for the parties to file written briefs highlighting the divergent positions of the Attorney General and the utility on certain issues. If the Commission determines that a public hearing is necessary, the Attorney General and its witness will certainly participate to aid the Commission in coming to a reasoned decision.

Respectfully submitted,

RUSSELL COLEMAN
ATTORNEY GENERAL
