**LINDSEY & ELLIOTT GAS CO.'S RESPONSE TO COMMISSION ORDER TO
SHOW CAUSE**

Lindsey & Elliott Gas Co. ("Lindsey") states as follows for its responses to the Commission's Order to Show Cause of February 10, 2025:

Undersigned counsel takes full responsibility for the delay in filing the Commission-approved gas farm tap tariff in compliance with the Commission Order of July 29, 2024 and apologizes for the delay. After the Commission's Order of July 29, 2024, undersigned counsel attempted to file the Tariff documents in the PSC online filing data base but actually filed them in the wrong section. After that error, undersigned counsel talked with Daniel Hinton at the PSC who provided some direction to counsel and also added the "Tariff Filer" role to counsel's account. Even after discussing the filing of the tariff information with Mr. Hinton, counsel was still confused as to how the information was to be filed. Further delays in the filing resulted from the dissolution of counsel's law firm, Shelton Branham & Halbert, PLLC, in late fall 2024 which has just now completed resulting in counsel now becoming a sole practitioner under the name Law Office of Billy R. Shelton, PLLC. Once the issues relating to the dissolution of counsel's firm were completed, the Tariff documents were completed and filed with the PSC on February 14, 2025.

WHEREFORE, Lindsey prays for an appropriate Order finding good cause for the delays in filing the Tariff documents on February 14, 2025.

Respectfully submitted,

/s/ Billy R. Shelton
