Electronically Filed

In the Matter of:

LINDSEY & ELLIOT GAS GO. FOR
INITIAL RULES, REGULATIONS,
AND RATES FOR FURNISHING GAS
SERVICE PURSUANT TO KRS

LINDSEY & ELLIOT GAS CO.'S MOTION TO CONFIRM TARIFF RATES

Now comes Lindsey & Elliot Gas Co. ("Lindsey"), by and through counsel and moves the Public Service Commission (the "Commission") to confirm its tariff rate, set out in the Commission Order dated July 29, 2024. In support of this motion, Lindsey states as follows:

1. By Order dated July 29, 2024, the Commission approved Lindsey's minimum bill customer charge and volumetric rate for service rendered on and after the date of service of the Order. The Commission Order further approved Lindsey's proposed tariff and also required Lindsey to file additional documents and/or information with the Commission within 18 months.

2. Lindsey, after consultation with the Commission staff, has filed this motion to advise the Commission that it has no desire and/or intent to change, modify or increase any of the tariff rates previously approved by the Commission and, as a result, will not be filing any additional documentation pursuant to the Commission Order of July 29, 2024.

3. Lindsey understands and agrees that in the future should it desire to change any approved tariff rate, previously approved by the Commission, that it will file a proper, documented request to the Commission for approval prior to implementing any such changes.

WHEREFORE, Lindsey prays for an appropriate Order confirming its tariff rates previously approved by the Commission and acknowledging that because Lindsey is not seeking to modify/change those previously approved tariff rates, that no additional documents will be required to be filed pursuant to the Commission Order of July 29, 2024.

Respectfully submitted,
