MOTION FOR EXTENSION OF TIME

Lindsey & Elliot Gas Co. respectfully moves this body for an extension of time to response to Commission Staff's Third Set of Requests for Information. In support of its Motion, Lindsey & Elliott states as follows:

On March 27, 2024, Commission Staff issued its Third Set of Requests for Information concerning Lindsey & Elliott's Tarriff Application, which are currently due on April 19, 2024. However, given the short turnaround during Spring Break and a death of a family member involving Lindsey & Elliott's principal, Lindsey & Elliott requests additional time to complete its responses. Thus, Lindsey & Elliott respectfully requests a one-month extension of time for its responses to be served on Commission Staff on or before Friday, May 24, 2024.

Respectfully submitted,
