Electronically Filed

In the Matter of:

ELECTRONIC TARIFF FILING OF
LINDSEY & ELLIOT GAS GO. FOR
INITIAL RULES, REGULATIONS, AND
RATES FOR FURNISHING GAS
SERVICE PURSUANT TO KRS 278.485

MOTION FOR EXTENSION OF TIME

Lindsey & Elliot Gas Co. respectfully moves this body for an extension of time to respond to Commission Staff's First Set of Requests for Information. In support of its Motion, Lindsey & Elliot states as follows:

On July 27, 2023, Lindsey & Elliot received Commission Staff's requests for information, which are currently due on Friday, August 11, 2023. Since receipt, Lindsey & Elliot has been diligently working to provide all of the requested information and documentation. However, given the short turnaround in the Requests and summer travel schedules—in addition to ensuring that all responsive documents conform to the PSC's filing requirements—Lindsey & Elliot requests additional time to complete its responses. Thus, Lindsey & Elliot respectfully requests an additional two-week extension of time and for its responses to be served to Commission Staff on or before Friday, August 25, 2023.

Respectfully submitted,
