

Case No. 2023-00246  
Dogwood Corners, LLC  
Responses to Christian County's Post-Hearing Request for Information

**CHRISTIAN COUNTY POST HEARING DR 1-1:**

Please state the name and address of all individuals Dogwood Corners, LLC contacted within the Dogwood Community regarding the project in question, and the date in which contact was attempted and/or made.

**Response:** The Dogwood Corners project team (including employees from Oriden and Edelen Renewables) attempted contact with adjacent landowners on numerous occasions and using various methods of contact. Dogwood Corners contacted all landowners on the spreadsheet that was attached to Item 1 of the response to the Siting Board's Post-Hearing Data Request, which includes adjacent landowners and some other residents in the Dogwood community, on the dates shown.

**Witness:** Megan Stahl

Case No. 2023-00246  
Dogwood Corners, LLC  
Responses to Christian County's Post-Hearing Request for Information

**CHRISTIAN COUNTY POST HEARING DR 1-2:**

Please produce any and all documentation regarding Dogwood Corners, LLC's purported "attempts" to contact every resident of the Dogwood community regarding the project in question and any writing evidencing such contacts or attempted contacts and any notes regarding same and any information provided.

**Response:** Dogwood Corners LLC did not purport to attempt contact with *every* resident of the Dogwood community. The Dogwood Corners project team (including employees from Oriden and Edelen Renewables) attempted contact with adjacent landowners on numerous occasions and using various methods of contact. Dogwood Corners contacted all landowners on the spreadsheet that was attached to Item 1 of the response to the Siting Board's Post-Hearing Data Request, which includes adjacent landowners and some other residents in the Dogwood community. To supplement the referenced spreadsheet, please refer to the associated documentation including emails, phone log, public meeting notification letters provided with the application submission, and example information packet provided to landowners, which was attached to Item 1 of the response to the Siting Board's Post-Hearing Data Request.

**Witness:** Megan Stahl

Case No. 2023-00246  
Dogwood Corners, LLC  
Responses to Christian County's Post-Hearing Request for Information

**CHRISTIAN COUNTY POST HEARING DR 1-3:**

Please produce any and all evidence mentioned by Seth Wilmore during the final hearing of this matter on February 7, 2024, evidencing Dogwood Corners, LLC's attempt to contact all adjoining residents of the project in question within the Dogwood community.

**Response:** The Dogwood Corners project team (including employees from Oriden and Edelen Renewables) attempted contact with adjacent landowners on numerous occasions and using various methods of contact. Dogwood Corners contacted all landowners on the spreadsheet that was attached to Item 1 of the response to the Siting Board's Post-Hearing Data Request, which includes adjacent landowners and some other residents in the Dogwood community. To supplement the referenced spreadsheet, please refer to the associated documentation including emails, phone log, public meeting notification letters provided with the application submission, and example information packet provided to landowners, which was attached to Item 1 of the response to the Siting Board's Post-Hearing Data Request.
