Re: Case No. 2023-00252  
Oldham County Water District  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Oldham County Water District's application for an adjustment to its water rates. This ARF application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2022 as the test year with appropriate adjustments to normalize revenue and expenses.

The Public Service Commission granted Oldham County Water District a deviation to enable it to utilize the alternative rate filing procedure by an Order issued on May 25, 2023 in Case No. 2023-00118 despite the fact that Oldham County Water District had approximately \$5.2 million in gross annual revenue in 2022.

The Attorney General's Office of Rate Intervention has also been provided a copy of this application by electronic mail.

Sincerely,

A handwritten signature in blue ink that reads "Russell D. Rose".

Russell D. Rose  
CEO
