RE: Song Sparrow Solar, Notice of Application Filing

Dear [NAME]:

I hope this letter finds you well. Following the successful public meeting that we held this past May, Clearway Energy Group LLC ("Clearway") is submitting its application to the Kentucky Electric Generation and Transmission Siting Board ("Board") for a Certificate of Construction for an Electric Solar Generating Facility for the construction and operation of our Song Sparrow Solar project.

The Song Sparrow Solar project will have a nameplate capacity of up to 104 MW-ac across approximately 655 acres and will be sited on private land. The project will consist of solar photovoltaic panels and their associated racking systems, inverters, project substation and utility switching station, roads, perimeter fences and other ancillary equipment. The project will connect to Louisville Gas & Electric / Kentucky Utilities' ("LG&E/KU") electric transmission line that is located within the project area.

The Project has signed a power purchase agreement with LG&E/KU following a competitive solicitation as part of the utility's larger strategy to bolster the power grid. We are pursuing this project with the goal of increasing our nation's energy independence, protecting the reliability of the electric power grid and making significant investments in communities where we serve.

The application filing will occur in the coming weeks, and will be subject to review and approval from the Board. Anyone that wishes to become a party to the proceedings before the board may, by submitting written motion filed no later than thirty (30) days after the application has been submitted, request leave to intervene. Anyone may, upon written motion filed no later than thirty (30) days after an application has been filed, request the board to schedule an evidentiary hearing at the offices of the Public Service Commission located at 211 Sower Boulevard, Frankfort Kentucky 40602-0615.

A request for a local public hearing or local public information shall be made by at least three (3) interested persons who reside in the county in which the project is proposed to be located. The request shall be made in writing and shall be filed within thirty (30) days following the filing of the completed application. Any questions related to the application or its process may be directed to the Board, which can be reached at P.O. Box 615, 211 Sower Boulevard, Frankfort, Kentucky 40602-0615, or via phone at (502) 564-3940.

We're excited as the project advances into the next stages of development. Please don't hesitate to reach out directly at our included contact information below with any questions or concerns.

Sincerely,

Evan Good
