RE: Kirksville Water Association 2023-00258

Dear Ms. Bridwell:

Kirksville staff has most of the information compiled to respond to Commission Staff's 1st request for information that is due September 28, 2023. KWA is still gathering information from their engineer and has a meeting with support staff from Rural Water to review the requests and responses. KWA staff believes an additional 30 days is sufficient to fully answer the requests. I have filed a motion today requesting the extension. Please let me know if you need anything further.

Very truly yours,

Jud Patterson
