RE: Kirksville Water Association 2023-00258

Dear Ms. Bridwell:

Kirksville Water Association has today filed its response to Commission Staff's 1st request for information. Staff request for information #4 requested copies of the board meeting minutes for 2022-2023. These minutes were previously provided to the Commission in compliance with an Order in PSC case 2022-00197. The minutes have not been reproduced in this response because of that earlier production. Please let me know if I need to file them again in this response.

Very truly yours,

Jud Patterson

Counsel for Kirksville Water Association
