Re: Ballyshannon Subdivision, Union, KY 41091 Service Territory Boundary Change

Mr. Randy Acklin (Fischer Homes) has requested electric service for a new development (Ballyshannon) located just North of Hathaway Road in Union Kentucky on the boarder of the Duke Energy Kentucky Service Territory and the Owen Electric Service Territory. This request has been evaluated by both Duke Energy and Owen Electric Engineering teams and they have determined that some revisions to the current Territory Boundary would benefit all parties involved. The attached land base drawings provide the details of the boundary change.

Duke Energy, Kentucky Inc. approves a service boundary change for the development (Ballyshannon). If you agree with the description of the above-mentioned Service Territory Boundary change, please have a copy of this letter (and land base drawing) signed, dated, and returned to me as authorization to proceed. This letter and accompanying drawing will then be submitted to the Utility Commission for a service territory boundary change.
