RE: Case No. 2023-00284  
Montgomery County Water District No. 1  
Responses to Commission Staff's First  
Request for Information

Dear Ms. Bridwell:

Enclosed for filing in the referenced case are Montgomery County Water District No. 1's responses to the Kentucky Public Service Commission Staff's First Request for Information.

Included in Montgomery District No. 1's responses is a modified Schedule of Adjusted Operations, SAO\_With\_Attachments\_Corrected, to reflect the following corrections:

- 1) The \$800 Bad Debt expense reported in the 2022 Annual Report was incorrectly identified in the Schedule of Adjusted Operations as Advertising. This error is corrected.
- 2) The \$220 adjustment to Miscellaneous expense was mistakenly referenced as E, costs associated with new meter installations. The correct adjustment reference is K to reduce test-year purchased power associated with excessive water loss.

The Attorney General's Office of Rate Intervention has also been provided a copy of these responses by electronic mail.

Sincerely,

Sandra Morton  
Office Manager
