Re: Case No. 2023-00284

Dear Ms. Bridwell:

This is being filed in response to the August 31, 2023 Commission deficiency letter. Montgomery County Water District No. 1 is providing a revised ARF Form-1, that has been signed under oath by the Secretary of the Board of Commissioners and a corrected Statement of Disclosure of Related Transactions for each member of the Board of Commission.

The revised schedules in response to the deficiency letter have been emailed to the Office of Rate Intervention, Office of Attorney General

If you have any questions or need any additional information, please let me know.

Sincerely,

Sandra Morton  
Office Manager
