Re: Case No. 2023-00284

Dear Ms. Bridwell:

This is being filed in response to the September 5, 2023 Commission deficiency letter. Montgomery County Water District No. 1 is providing a corrected ARF Form-1, that has been signed under oath by the Secretary of the Board of Commissioners.

The revised ARF Application in response to the deficiency letter has been emailed to the Office of Rate Intervention, Office of Attorney General.

If you have any questions or need any additional information, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Morton".
