Re: Electronic Application of Blue Grass Energy Cooperative Corporation for a Certificate of Public Convenience and Necessity Authorizing it to Bid on a Franchise Established by the City of Lawrenceburg, Kentucky; Case No. 2023-00291

Dear Ms. Bridwell:

Enclosed please find an Electronic Application for a Certificate of Public Convenience and Necessity (“CPCN”) to enable Blue Grass Energy Cooperative Corporation (“Blue Grass Energy”) to apply for an electric franchise with the City of Lawrenceburg, Kentucky (the “City”) pursuant to KRS 278.020(5).

Pursuant to Ordinance No. 2023-015, the City Council of Lawrenceburg, Kentucky has authorized the advertising of bids for the sale of an electric franchise in the City. (The Ordinance was given first reading on August 5, 2023, second reading on September 5, 2023, and legal notice will be published September 14, 2023, with bids due by 10:00 a.m. on October 4, 2023. In light of the bid deadline, Blue Grass Energy requests that the Commission enter an Order granting a CPCN to Blue Grass Energy to bid for and acquire a franchise from the City on or before **September 27, 2023**.)

This is to certify that the electronic filing has been transmitted to the Commission on September 7, 2023, and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Very Truly Yours,

RANDELL ROACH & ROYSE, PLLC
