SUBJECT: Additional information for Case Number: 2023-00315

Dear Ms. Bridwell,

Ms. Stefanski, from the Public Service Commission's Division of Financial Analysis, contacted the District in need of our total water produced for August 2022 through July 2023 in regards to our purchased water adjustment filing.

From August 2022 through July 2023 Hardin County Water District produced 847,310,000 gallons of water at its own treatment plant.

If any additional information is needed in support of this filing please let us know.

Sincerely,

Justin Metz
Interim General Manager
