WITNESSETH:

WHEREAS, the parties hereto did on May 29, 1969 enter into an Agreement under which the Seller was obligated to supply unto Purchaser a maximum of 2,000,000 gallons of water per month; and

WHEREAS, on or about December 30, 1969, the maximum amount of water was amended and increased to 5,000,000 gallons per month; and

Numerical paragraph 1 of the Contract Amendment dated April 27, 1982 between the parties shall be revised and amended to read as follows: Effective March 1, 2013, the Purchaser shall be entitled to purchase from the Seller 665,000 gallons per day or 19,950,000 gallons per month at the normal rate for other wholesale customers, which is hereinafter described in numerical paragraph 2 below. It is explicitly stated that there is no penalty assessed for any water purchased over the allowed amount. Nothing contained herein shall be construed

as creating an obligation upon the Seller to provide water in excess of 19,950,000 gallons per month and, further, the Seller may at its option choose not to supply water exceeding 19,950,000 gallons per month; any sale of water by Seller in excess of 19,950,000 gallons per month shall not constitute a waiver of the limitation and shall not prohibit the Seller from enforcing the limitation during subsequent months.

2. Numerical paragraph 5 of the Agreement dated May 29, 1969 is hereby revised and amended to read as follows: The Purchaser agrees to pay to the Seller monthly upon receiving a bill therefore for water delivered, in accordance with the following schedule of rates, plus applicable state sales and use taxes:

4. The parties specifically acknowledge that all other terms and conditions of the original agreement and amendments thereto shall remain in full force and effect and are incorporated herein by reference.
