RE: Case No. 2023-00334
Western Rockcastle Water Association
Request for Extension to Submit Alternative Rate Filing Application

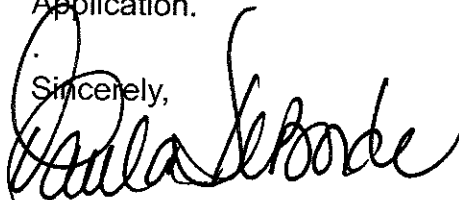

Dear Ms. Bridwell:

Western Rockcastle Water Association respectfully requests a forty-five-day extension to submit its Alternative Rate Filing application. In the Final Order issued on November 22, 2023 in the referenced case, the Kentucky Public Service Commission ordered

" ... that Western Rockcastle Water should file an application for a general rate adjustment pursuant to 807 KAR 5:001, Section 16, or an application for an alternative rate adjustment pursuant to 807 KAR 5:076 no later than October 31, 2024."

Since that time, Western Rockcastle Association has engaged Kentucky Rural Water Association to prepare the necessary rate study to support an Application. However, Western Rockcastle Water Association has faced a particularly difficult challenge in gathering the information necessary to complete the study. Western Rockcastle Water Association changed auditors for preparation of the 2023 financial statements. In preparing its ARF Application, Western Rockcastle Water Association discovered major errors were made by its new Auditor in preparing the 2023 Annual Report. A corrected 2023 Annual Report needs to be submitted to the competition and filing of the ARF Application.

Sincerely,

Paula Deborde
General Manager
