RE: Case No. 2023-00341
Correction of Error
Exhibit A-5, Page 32

An error was detected on the Phase 9A Material List - Bid tabulation sheet. In preparing the Material bid tabulation sheet the Water District made an error in the Excel format. The error occurred on Bid Item # 35. This item was not priced on a per-foot basis. Instead, it was priced at the per-roll price of \$160. This caused Excel to multiply a 500 ft. roll of tubing as 500 individual pieces at a price of \$160 per-piece. Thereby altering that number from \$160 to \$80,000. This error inflated the total material bid which is currently shown on page 32, incorrectly. Attached please find a corrected page 32.

We are sorry for any confusion this may have caused.

Sincerely,

James Owen
General Manager

"Hard of Hearing, Speech Impaired, or Deaf users, call the Kentucky Relay Service at (800) 648-6056. Ask the Communications Assistant to call us at 270/886-3696."
