RE: Surcharge Report for 11/25  
Original Case No: 2022-00366  
Surcharge Reporting Case No: 2023-00351

Dear Ms. Bridwell,

Per the Public Service Commission's Order in Case No. 2022-00366 regarding the assessment of a surcharge of \$1.72 on each customer bill over forty-eight (48) months for the purpose of water loss reduction, the Commission required certain information from Mountain Water District to be submitted on a monthly basis in order for the Commission to ensure compliance by the District with the intent and purpose of the surcharge expenditures.

The District began billing the surcharge in mid-January, 2024. Please see the e-filed spreadsheet detailing this information for the month of November, 2025 uploaded to Case No. 2023-00351.

The District's Water Loss Report has been uploaded to the case as well. There has been some confusion regarding the labor reimbursement for on-call and call-out and the District will also remove any overtime payout on any payroll moving forward and only be reimbursed for regular time and benefits for each employee paid by the District. Backup documentation uploaded for the month of November shows that District reimbursed \$967.50 back to the surcharge account for overtime, call-out or on-call invoiced previously. The next invoice for labor shows only regular time and benefits invoiced for the Nicholas Baily and Braydan Newsome. Unfortunately, Mr. Newsome has been injured and has been off work since September 18, 2025, but should be returning to the job in mid-January, 2026.

Please contact me with any questions or concerns you may have with regard to this filing for the surcharge requirements by phone at (606) 631-6165 or via email at [tolson@mtwater.org](mailto:tolson@mtwater.org).

Sincerely,

Tammy Olson
