RE: Surcharge Report #4
Original Case No: 2022-00366
Surcharge Reporting Case No: 2023-00351
April, 2024

Dear Ms. Bridwell,

Per the Public Service Commission's Order in Case No. 2022-00366 regarding the assessment of a surcharge of \$1.72 on each customer bill over forty-eight (48) months for the purpose of water loss reduction, the Commission required certain information from Mountain Water District to be submitted on a monthly basis in order for the Commission to ensure compliance by the District with the intent and purpose of the surcharge expenditures.

The District began billing the surcharge in mid-January, 2024. Please see the e-filed spreadsheet detailing this information for the month of April, 2024 and related notes, uploaded to Case No. 2023-00351.

The District's Water Loss Report has been uploaded to the case as well.

Please contact me with any questions or concerns you may have with regard to this filing for the surcharge requirements by phone at (606) 631-6165 or via email at tolson@mtwater.org.

Sincerely,

Tammy Olson
General Manager
Mountain Water District
