RE: Case No. 2023-00352
Lyon County Water District
Response to Commission Staff Report

Dear Ms. Bridwell:

Lyon County Water District submits the following comments concerning the Commission Staff Report dated April 10, 2024:

1. Although the District does not agree with the removal of certain labor expenses from nonrecurring charges, the District does not wish to contest that adjustment in this case. The District's failure to object to Staff's findings and recommendations concerning the reduction of certain nonrecurring charges shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.
2. The District concurs with the remainder of the finding presented in the Staff Report.
3. The District waives its right to request an informal conference or hearing in this case.

Sincerely,

Mathew Blane
Superintendent
