RE: Case No. 2023-00352
Lyon County Water District
Request to Add Miller to Service File for ARF Application and
Request for Extension to Respond to Deficiency Letter

Dear Ms. Bridwell:

I will be assisting Garrison-Quincy-KY-O-Heights Water District with the ARF application process for Case No. 2023-00352. Please have me added to the service file as:

Robert K. Miller
Straightline Kentucky LLC
113 North Birchwood Ave.
Louisville, Kentucky 40206
bob.miller@straightlineky.com
502-500-1458

In addition, I respectfully request an extension to remediate the deficiencies identified in the Deficiency Letter dated January 2, 2024. I apologize for the tardiness of this request, but Ariel Baker, the project leader from Kentucky Rural Water Association for this application, has been away on emergency medical leave and I was delayed in providing this notice to Kentucky Public Service Commission. I anticipate that an extension to February 1, 2024 will be needed to remediate the deficiencies.

Sincerely,

Robert K. Miller
