**MOTION TO AMEND THE DECEMBER 21, 2023 FINAL ORDER TO CORRECT  
THE APPROVED RATE AND REQUEST FOR EXPEDITED TREATMENT**

---

Duke Energy Kentucky, Inc. (Duke Energy Kentucky or Company) respectfully moves this Commission to amend Paragraph 2 in its December 21, 2023, Order (Order) and the Appendix attached to the Order. The Appendix attached to the Order appears to have inadvertently misstated the Non-Residential Distribution electric rate.

The Order indicates the Commission’s intent was to approve the Company’s corrected rates, as submitted in discovery.<sup>1</sup> The Appendix to the Order gave the corrected rates for three of the four listed rates, but for the electric Non-Residential Distribution rate, the Appendix appeared to contain the value from cell K18 of the worksheet instead of K25, the correct cell.<sup>2</sup> The value in the Appendix was \$0.002989 per kWh, from cell K18. However, it should have been the sum of cells K18 and K22, or the total non-residential distribution rate of \$0.003503 per kWh in cell K25. The Company believes that the transposition of the number in the Appendix was an inadvertent clerical error.

<sup>1</sup> See Duke Energy Kentucky’s Response to Staff’s First Request for Information (Staff’s First Request), Item 4, pg. 2 (“[W]hen reviewing the data to respond to this request, it was discovered that the three-month commercial paper rate on page 5 of Appendix C, cell Q33, had a typo. This value should have been 1.0425. This correction changes the true-up amount values for all rate classes on Page 5, column F of Appendix C. Please see STAFF-DR-01-004 Attachment for a revised Appendix C.”).

<sup>2</sup> See Staff’s First Request, Item 4, STAFF-DR-01-004\_Attachment.xlsx, “Page 5” tab, cells K18 and K25.

Accordingly, the Company requests the Appendix be amended to correct the Non-Residential Distribution Rate as follows:

*Non-Residential Distribution Rate* *\$0.003503 per kWh*

Duke Energy Kentucky respectfully requests expedited treatment of its Motion to Amend the December 21, 2023 Final Order. The current rate is scheduled to go into effect on and after January 2, 2024. The Company requests that the Commission issue a correction as quickly as possible so the Company can implement the correct rate.

WHEREFORE, Duke Energy Kentucky, Inc., respectfully requests that the Commission grant its Motion to Amend the December 21, 2023, Final Order and Request for Expedited Treatment.

Respectfully submitted,

DUKE ENERGY KENTUCKY, INC.
