("HCWA") AS TO REQUEST FOR USE OF SURCHARGE MONIES

CASE NUMBER 2023-00355

HCWA MOTION WITH NOTICE OF REQUEST
FOR ADDITIONAL USE OF SURCHARGE MONIES

Comes now the Harrison County Water Association, Inc., by and through their counsel, Mr. Jesse P. Melcher, Esq., attested to by manger, Nathan Fields, and hereby files its motion with notice of request to use \$3,763.38, of its accumulated water surcharge monies as reported in this case, as follows:

- A. HCWA as required by Orders of KY PSC, filed a qualified Infrastructure Improvement Plan (QIIP), which established the necessity for a valve turner and necessary attachments, in the amount of \$3,763.38. **See. Attached invoice.** This will allow the valves in the distribution system to be exercised for water leak detections, and ensure monitoring areas are accessible for routine detections of possible water leaks.
- B. HCWA previously requested to use surcharge monies for a purchased Hydro machine on or about August 19, 2024, in the amount of \$63,341.36, which was paid on September 11, 2024, out of O & M Account (Construction) for HCWA; **which is awaiting approval and/or denial for KY PSC.**

- C. HCWA by its report and filing of collected and billed surcharge monies herein, filed in November, shows collections and deposits of over \$95,000.00, currently.
- D. HCWA is requesting by this motion with notice of this request for use of surcharge monies to allow use of \$3,763.38, from the collected surcharge monies to be paid to HCWA O & M Account for said expense.
