RE: Case No. 2023-00359
Garrison Quincy Ky-O-Heights Water District
Alternative Rate Filing Adjustment – Notice of Withdrawal

Dear Ms. Bridwell:

On November 6, 2023, Garrison Quincy District submitted a notice of intent and electronic election and requested a case number be assigned, which was filed into the record of the instant case. On December 7, 2023, the District submitted a second notice of intent and electronic election which was assigned Case No. 2023-00408 and filed into the record of that case. Garrison Quincy District submitted an application on December 11, 2023 into the case record of Case No. 2023-00408. Garrison Quincy District recognizes that the notice of intent filed on December 7, 2023 duplicates the filing of November 6, 2023 and therefore gives notice of and requests to withdraw its notice of intent filed on November 6, 2023 in Case No. 2023-00359.

Sincerely,

Trent Underwood
General Manager
