RE: Case No. 2023-00400  
Muhlenberg County Water District #3  
Supplemental Response to Commission Staff's First Request for Information

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Muhlenberg County Water District #3's supplement to the response to Commission Staff's First Request for Information.

Muhlenberg District #3 provided all of the responses to the Request for Information except for Question #16 by the due date of February 7, 2024. They noted at that time that *"the updated cost justification sheets for all nonrecurring charges will be updated and submitted shortly"*.

The delay in submitting the response to Question #16 is due to contractors for Kentucky Rural Water Association who are assisting with this ARF process and was no fault of Muhlenberg District #3 staff.

Sincerely,

Robert K. Miller
