RE: Case No. 2023-00401
Peaks Mill Water District
Supplemental Information in Response to Staff's Third Request for Information
Question 3d

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Peaks Mill Water District's supplemental response to Kentucky Public Service Commission staff's third Request for Information question #3d.

On April 26, 2024, PMWD filed RFI 3 Exhibit 3d with the Commission in response to Question 3d regarding meter testing. At the time of the submittal, the specific dates of meter replacement were not available. RFI 3 Exhibit 3d has been revised to include the meter replacement date and the location, where applicable. In review of the meter testing data, it was discovered a number of meters tests were duplicated (tested more than once). Revised Exhibit 3d identifies the duplicate tests.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Church Quarles', written in black ink.

Church Quarles
