RE: Case No. 2023-00401
Peaks Mill Water District
Response to Staff Report of May 28, 2024

Dear Ms. Bridwell:

Peaks Mill Water District (the "District") submits the following comments concerning the Commission Staff Report dated May 28, 2024:

1. The District does not agree with the Staff's removal of certain revenue projections and labor expenses from nonrecurring charges, however the District does not wish to contest the Staff adjustments in this case. The District's failure to object to Staff's findings and recommendations concerning the adjustments shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.
2. The District concurs with the remainder of findings presented in the Staff Report.
3. The District waives its right to request an informal conference or hearing in this case.

If you need any additional information from the District to expedite implementation of the new rates, please contact our office.

Sincerely,

Church Quarles
Chairman
