**Re: Electronic Tariff Filings of Louisville Gas and Electric Company and Kentucky Utilities Company to Revise Purchase Rates for Small Capacity and Large Capacity Cogeneration and Power Production Qualifying Facilities and Net Metering Service-2 Credit Rates
CN 2023-00404**

Dear Ms. Bridwell:

Pursuant to customer notice requirements in 807 KAR 5:011 Section 8(3), Louisville Gas and Electric Company ("LG&E") and Kentucky Utilities Company ("KU") (collectively "the Companies") are providing affidavits from Kentucky PressService, Inc. ("Kentucky Press") verifying the contents of the newspaper notices provided in this case, that the notices were published, the dates of publication for all newspapers in LG&E and KU's service territories, and a sample notice for each utility.

Pursuant to Ordering Paragraphs three (3) and five (5) in the Commission's Order dated December 13, 2023 in the above-referenced case, the Companies are also filing their entry of appearance of counsel and their written statement to receive electronic submissions.

KU is also filing a Motion for Approval to Deviate from Rule 807 KAR 5:011 Section 8(2).

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on December 15, 2023 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Please contact me if you have any questions regarding this filing.

Sincerely,

Michael E. Hornung
