**Re: Electronic Tariff Filings of Louisville Gas and Electric Company and Kentucky Utilities Company to Revise Purchase Rates for Small Capacity and Large Capacity Cogeneration and Power Production Qualifying Facilities and Net Metering Service-2 Credit Rates
CN 2023-00404**

Dear Ms. Bridwell:

Please find enclosed and accept for filing Kentucky Utilities Company's ("KU") and Louisville Gas and Electric Company's ("LG&E") (collectively "the Companies") Responses to the Kentucky Solar Energy Society's ("KYES") and Mountain Association's ("MA") (collectively "Movants") Supplemental Request for Information in the above-referenced case.

Please note that the Joint Intervenor's Supplemental Requests were numbered 1-1, 1-2, and so forth. To avoid any confusion with regard to references to their Initial Requests which have the same numbering, we have renumbered those data requests as 2-1, 2-2, and so forth.

LG&E and KU have filed a Joint Petition for Confidential Protection regarding certain information submitted with this filing. Pursuant to 807 KAR 5:001, Section 13(2)(e), the confidential material that is the subject of this Petition is not included in the electronic submission of this filing.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order of July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on February 22, 2024 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael E. Hornung", is written over a light blue horizontal line.

Michael E. Hornung
