RE: Case No. 2023-00408
Garrison-Quincy-KY-O-Heights Water District
Response to Order Requiring Additional Customer Notice

Dear Ms. Bridwell:

Garrison-Quincy-KY-O-Heights Water District (the "District") acknowledges receipt of the Kentucky Public Service Commission Order dated July 2, 2024 requiring publication of an additional Customer Notice. The District intends to fully comply with this Order.

However, the District is concerned that the required Customer Notice does not reflect the District's request contained in its response dated May 10, 2024 to the Staff Report for the Commission to implement the rate increase over two years.

The commissioners of the District respectfully remind the Public Service Commission to consider this request to implement the rate increase over two years when preparing its Final Order.

Sincerely,

Trent Underwood
Manager
