RE: Case No. 2023-00408
Garrison-Quincy-KY-O-Heights Water District
Response to Staff Report of April 30, 2024

Dear Ms. Bridwell:

Garrison-Quincy-KY-O-Heights Water District (the "District") submits the following comments concerning the Commission Staff Report dated April 30, 2024:

1. The Staff Report does not reference a nonrecurring charge for Late Payments. The District's tariff currently provides for a Late Payment Charge of \$7.00. The District requests that this Late Payment Charge be changed to 10% and submits the attached Nonrecurring Charge Cost Justification.
2. Although the District does not agree with the Staff's removal of certain labor expenses from nonrecurring charges, the District does not wish to contest that adjustment in this case. The District's failure to object to Staff's findings and recommendations concerning the reduction of certain Non-Recurring Charges shall not be construed to be a waiver of the District's right to contest a similar finding or recommendation in a future rate proceeding. The District expressly reserves its right to do so.
3. The District concurs with the remainder of findings presented in the Staff Report.
4. The District waives its right to request an informal conference or hearing in this case.
5. The District requests that the Commission consider implementing the rate increase over two years.

If you need any additional information from the District to expedite implementation of the new rates, please contact our office.

Sincerely,

Trent Underwood
Manager
