Re: Electronic Application of Louisville Gas and Electric Company for Renewal and Proposed Modifications of Its Performance-Based Ratemaking Mechanism - Case No. 2023-00411

Dear Ms. Bridwell,

In Case No. 2021-00028 (*In the Matter of: Electronic Application of Louisville Gas and Electric Company for Renewal and Proposed Modifications of Its Performance-Based Ratemaking Mechanism*), the Commission issued its November 21, 2021 Order in which it addressed Louisville Gas and Electric Company's ("LG&E") Performance-Based Ratemaking ("PBR") Mechanism. Ordering Paragraph 3 of that Order states:

Within 60 days after October 31, 2023, LG&E shall file an evaluation report on the results of the PBR mechanism for the PBR years ending in 2021 through 2023. This report shall be considered in any proceeding established to continue, modify, or terminate the PBR mechanism.

In accordance with Ordering Paragraph 3, LG&E hereby files its application and supporting testimony of Pamela L. Jaynes to support LG&E's requested renewal and proposed modification of its PBR mechanism as explained in the testimony. The above-referenced evaluation report on the most current results of the PBR mechanism is attached to Ms. Jaynes' testimony. Finally, proposed tariff sheets incorporating the requested renewal and modifications are attached to the Application.

In accordance with 807 KAR 5:001, Section 8 and the Commission's Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on December 29, 2023 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Sincerely,

Andrea M. Fackler
