Re: Electronic Application of Louisville Gas and Electric Company for Renewal and Proposed Modifications of Its Performance-Based Ratemaking Mechanism – Case No. 2023-00411

Dear Ms. Bridwell,

On March 7, 2024, Louisville Gas and Electric Company (“LG&E”) advised the Commission that it was withdrawing the above referenced filing but noted that it may seek to file a new application at a later date. On March 21, 2024, the Commission issued an order closing the case and removing it from the active docket. Today, LG&E is writing to advise that the Performance-Based Ratemaking Mechanism (“PBR”) will terminate effective October 31, 2024, but the PBR component will remain part of the Gas Supply Clause through October 31, 2026.

In accordance with 807 KAR 5:001, Section 8 and the Commission’s Order on July 22, 2021 in Case No. 2020-00085, I certify that the electronic filing has been transmitted to the Commission on August 5, 2024 and that there are currently no parties in this proceeding that the Commission has excused from participation by electronic means.

Sincerely,

Andrea M. Fackler
