**KENTUCKY SOLAR INDUSTRIES ASSOCIATION, INC.
RESPONSE TO THE PETITION FOR REHEARING OF JOINT
INTERVENORS KENTUCKY SOLAR ENERGY SOCIETY
AND KENTUCKIANS FOR THE COMMONWEALTH**

Comes now the Kentucky Solar Industries Association, Inc. (“KYSEIA”), by Counsel and pursuant to 807 KAR 5:001, Section 5(2), in Response to the Petition for Rehearing of Joint Intervenors Kentucky Solar Energy Society and Kentuckians for the Commonwealth (“Joint Intervenors”). KYSEIA supports the Petition for Rehearing of the Kentucky Public Service Commission’s (“PSC” or “Commission”) October 11, 2024 Order because, as identified and demonstrated in the Petition, there are several instances in which the Commission failed to make findings of fact, conclusions of law, or explain changes in Commission precedent for determining and documenting the components for net metering export rates, particularly with regard to transparency. Further, KYSEIA agrees with the Joint Intervenors that the October 11, 2024 Order is inconsistent with statute and departs from Commission precedent concerning the netting of energy exports and imports over the billing period.

WHEREFORE, KYSEIA adopts and incorporates by reference the arguments in the Petition and respectfully requests the Commission grant rehearing of the matters identified in the Petition and change and modify its October 11, 2024 Order accordingly.

Respectfully submitted,

/s/ David E. Spenard
