MAKE-READY REQUIRED

Requests Received Containing 1
or More Pole Attachment
Requiring Make-Ready

7

Proposed Pole Attachments
Associated With Requests
Requiring Make-Ready

Structure Type	Qty
Pole	136
Total	138

The proposed pole attachment data is based on the total structures associated with a request that requires make-ready on at least one of the structures associated with the request and may include structures that do not require make-ready. Some requests received during the quarter shown for this report have not completed the survey stage to determine if make-ready is required.

PROCESSING TIME

AVG Processing Time (Days)

39.21

Attachments Associated
with Requests

Structure Type	Qty
Pole	325
Total	325

This data is based on requests that did not require make-ready and were permitted in the quarter shown for this report and requests that require make-ready and the quote has been sent to the new attacher in the quarter shown for this report. These requests may have been received in previous quarters.

COMPLETED REQUESTS

Requests Completed

39

Attachments Associated
with Completed Requests

Structure Type	Qty
Overlash/Rebuild	71
Pole	527
Total	598
