Kentucky 2025 Q3

REQUESTS RECEIVED

Requests Received
Containing 1 or More Pole
Attachment

35

Proposed Pole Attachments
Associated With Requests
Received

Structure Type	Qty
Overlash/Rebuild	1
Pole	289
Total	290

This data is based on requests that were received during the quarter shown for this report

MAKE-READY REQUIRED

Requests Received Containing 1
or More Pole Attachment
Requiring Make-Ready

12

Proposed Pole Attachments
Associated With Requests
Requiring Make-Ready

Structure Type	Qty
Pole	129
Total	129

The proposed pole attachment data is based on the total structures associated with a request that requires make-ready on at least one of the structures associated with the request and may include structures that do not require make-ready. Some requests received during the quarter shown for this report have not completed the survey stage to determine if make-ready is required.

PROCESSING TIME

AVG Processing Time (Days)

33.66

Attachments Associated
with Requests

Structure Type	Qty
Pole	627
Total	627

This data is based on requests that did not require make-ready and were permitted in the quarter shown for this report and requests that require make-ready and the quote has been sent to the new attach in the quarter shown for this report. These requests may have been received in previous quarters.

COMPLETED REQUESTS

Requests Completed

86

Attachments Associated
with Completed Requests

Structure Type	Qty
Overlash/Rebuild	1
Pole	852
Total	853

This data is based on requests that were completed in the quarter shown for this report but may have been received in previous quarters. For purposes of this report, completed requests are defined as requests where all processing, make-ready, construction and post-inspection work has been completed.
