Investigation of Pole Attachments

Dear Ms. Bridwell:

Kentucky Broadband and Cable Association (“KBCA”), by and through counsel, hereby submits its Update regarding the status of pole attachments with Kentucky Utilities Company (“KU”). KBCA coordinated with KU to compile this information for the Commission. The first chart shows a snapshot of the current status of pending submissions as of July 17, 2024. The second chart presents the cumulative data for all poles submitted since the inception of the High Volume Plan.

The undersigned counsel certifies that the document filed electronically is a true, accurate and complete representation of the original document and has been transmitted to the Commission. No party to this case has been excused from participation by electronic means.

Please contact me if you have any questions.

Sincerely,
STURGILL, TURNER, BARKER & MOLONEY, PLLC
