On May 27, 2025, the Commission issued an order requiring KBCA and pole owners to provide quarterly updates on pending applications for pole attachments. The deadline for the next round of updates is December 15, 2025. KBCA appreciates the opportunity to provide updates. It nevertheless requests an extension by which it could submit that information due to vacation schedules for staff who compile this information. KBCA requests that the Commission allow an extension by which KBCA can provide updated information through December 19, 2025.
