RE: Case No. 2024-00022
Hyden-Leslie County Water District
Alternative Rate Filing Application

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is Hyden-Leslie County Water District's application for an adjustment to its water rates. This ARF Application is being filed pursuant to 807 KAR 5:076 and uses calendar year 2022 as the test year with appropriate adjustments to normalize revenues and expenses.

Because of the size of the proposed rate increase, Hyden-Leslie County Water District respectfully requests consideration by the Commission to implement any ordered rate increase over three years.

Also, Hyden-Leslie County Water District respectfully requests consideration by the Commission to allow certain changes to tariff language in addition to the proposed change to water rates to be considered in this case. If this is acceptable to the Commission, Hyden-Leslie County Water District will submit the proposed revisions to the tariff sheets.

The Attorney General's Office of Rate Intervention has also been provided with a copy of this application by electronic mail.

My electronic mail address is hlwater@tds.net.

Sincerely,

Kevin Cook

Chairman
