

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

IN THE MATTER OF:

ELECTRONIC TARIFF FILING OF EAST KENTUCKY)	CASE NO.
POWER COOPERATIVE, INC. TO UPDATE ITS)	2024-00048
ENVIRONMENTAL SURCHARGE TARIFF)	

NOTICE

Comes now, East Kentucky Power Cooperative, Inc., (“EKPC”), by and through counsel, and does hereby state as follows for its Notice pursuant to KRS 278.190(2) and the Commission’s February 29, 2024 Order in this matter:

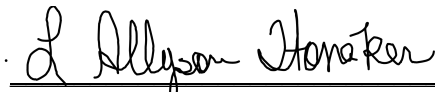

1. EKPC filed its revised Environmental Surcharge tariff to reflect an updated Base Environmental Surcharge Factor (“BESF”) on January 30, 2024.
2. EKPC requested a March 1, 2024 effective date for its revised Environmental Surcharge tariff.
3. The Commission’s February 29th Order suspended EKPC’s revised Environmental Surcharge tariff for one day until March 2, 2024 and stated that EKPC could implement the tariff subject to refund provided that EKPC provided written notice as required by KRS 278.190(2).
4. Implementing the tariff on a day other than the 1st day of the month, creates many issues. Therefore, EKPC will not implement the revised Environmental Surcharge tariff for bills rendered on or after March 2, 2024.
5. However, EKPC hereby gives notice to the Commission pursuant to KRS 278.190(2) that it will place the revised Environmental Surcharge tariff into effect beginning with service rendered in March for bills rendered on or after April 1, 2024.

6. EKPC will maintain its records in a way that will allow it to calculate the credit should the Commission revised the BESF rate. The BESF is a way to credit EKPC's members for items that were already being recovered through EKPC's base rates, so as to avoid double recovery.

WHEREFORE, based on the foregoing, EKPC gives the Commission notice of its intent to place the revised Environmental Surcharge tariff into effect beginning with service rendered in March 2024, for bills rendered on and after April 1, 2024.

Dated this 4th day of March, 2024.

Respectfully submitted,
