STATUS UPDATE

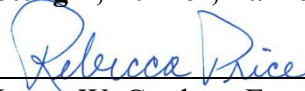

Pursuant to Mitigation Measure No. 5 of the Siting Board’s Order dated February 20, 2026, Mantle Rock Solar, LLC (“Mantle Rock”) by counsel, submits the following status update.

During this reporting period, Mantle Rock has not advanced additional permitting, environmental, or development studies beyond those previously completed. Accordingly, there have been no material changes to report regarding permitting status, construction activities, or commencement of project operations.

Mantle Rock remains engaged and will continue to monitor project conditions and opportunities. At this time, no determination has been made regarding the project's schedule for construction or commencement of operations.

Dated: August 20, 2026

Respectfully submitted,
Sturgill, Turner, Barker & Moloney, PLLC
