RE: Case No. 2024-00061
Butler County Water System, Inc.
Request to Replace Previously Filed Document

Dear Ms. Bridwell:

Enclosed for filing in the referenced case is a revised version of the file 5 Butler County Rate Model that was previously filed to Case No. 2024-00061. This revised version redacts the employee names which were inadvertently included in the previous version and removes extraneous sheets. Please replace the previous version with this revised version.

Sincerely,

Robert K. Miller
