RE: Case No. 2024-00002  
Nebo Water District  
Alternative Rate Filing Adjustment

Dear Ms. Bridwell:

The Nebo Water District would like to bring to the attention of the Commission and Commission Staff to Case No. 2024-00062, Electronic Application of Nebo Water District for a Certificate of Public Convenience and Necessity to Construct a System Improvements Project and an Order Approving an Increase in Rates and Authorizing the Issuance of Securities Pursuant to KRS 278.023. Through advisement of council to the improvements project, the district would state that the rates that will be proposed in 2024-00062 will be lower than the rates proposed in this case. Also, it should be noted that the additional financing, if approved, will have a material impact on the rates proposed in this case.

Sincerely,

Valerie Coffman  
Office Manager
