If at any time it shall appear to the Government that Borrower may be able to obtain a loan from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept such loan in sufficient amount to repay the Government.

Default hereunder shall constitute default under any other instrument evidencing a debt or other obligation of Borrower to the Government or securing such a debt or other obligation and default under any such other instrument shall constitute default hereunder.
