Re: Case No. 2024-00072

Dear Ms. Bridwell:

Please find enclosed Delta's Quarterly Report of Gas Cost Recovery Rate Calculation, which determines the Gas Cost Recovery to be effective with the first billing cycle of May 2024 that includes meters read on and after April 25, 2024. Delta's calculation includes a Balancing Adjustment because the first unified ACA quarter has expired, and its full 12-month effective period is rolled into the reporting period. Delta is also filing copies of the schedules in Excel format. Delta has contemporaneously filed a Petition for Confidential Protection for certain of the information in the Quarterly Report and gas supplier invoices.

In accordance with Ordering Paragraph 2 in the Commission's April 28, 2023 Order in Case No. 2023-00076, Delta is enclosing a report regarding its GCR surcharge collections through January 2024.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that Delta's December 22, 2023 electronic filing is a true and accurate copy of the documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on December 22, 2023; that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding,

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".

Monica H. Braun
