Re: Case No. 2024-00078

Dear Ms. Bridwell:

Pursuant to Sheet No. 43 of Delta Natural Gas Company, Inc.'s tariff, please find attached Delta's balancing adjustment that true-ups its actual Pipe Replacement Program costs for the twelve months ending December 31, 2023 with its projected costs for the same period. The proposed effective date for the revised rates is June 1, 2024, as set forth in the tariff.

In accordance with 807 KAR 5:001, Section 8(7), this is to certify that Delta's March 28, 2024 electronic filing is a true and accurate copy of the documents being filed in paper medium; that the electronic filing has been transmitted to the Commission on March 28, 2024; that there are currently no parties that the Commission has excused from participation by electronic means in this proceeding.

Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in blue ink that reads "Monica H. Braun".

Monica H. Braun
