RE: *The Electronic Application of Jackson Purchase Energy Corporation for a
General Adjustment of Rates and Other General Relief*
Case No. 2024-00085

Dear Ms. Bridwell:

Enclosed, please find for filing, Jackson Purchase Energy Corporation's updated response to Commission Staff's First Request for Information, Item 24. On December 10, 2024, Jackson Purchase filed a version of a contract with the International Brotherhood of Electrical Workers that had not been ratified. The contract has now been ratified and does no longer need confidential treatment. The other document in the December 10, 2024 Motion for Confidential Treatment Jackson Purchase still believes should be afforded confidential treatment and so it is not withdrawing the motion.

This is to certify that the electronic filing was made on February 3, 2025, and there are no parties the Commission has excused from electronic filing procedures. Pursuant to the Commission's July 22, 2022 Order in Case No. 2020-00085, no paper copies of filings will be made.

If you have any questions, please let me know.

Sincerely,

Heather S. Temple
